

# WORSHIP. LABOR. DIALOGUE. EAT.

## HELP NEEDED! (POSSIBLY WITH A SHOVEL)

Join us to celebrate our faiths as the substrate for building community, growing gardens, and working for justice. Join Union Theological Seminary and its community partners in the White House Interfaith Service Initiative, to come together to begin building gardens at St. Mary's. We will begin with an interfaith service at 10am, and then enjoy potluck food and fellowship. We will then roll our sleeves up and begin the work of transforming St. Mary's grounds. As this is a potluck, please contribute a dish if you can, and consider making it vegetarian to accommodate for various faithful eating practices and dietary considerations.

SUNDAY - OCTOBER 23, 10-5pm
